

Mowbray Education Trust is very pleased to have been selected as the sponsor to support Buckminster Primary School.

As a very close knit group of local schools, we are delighted to welcome Buckminster Primary School to the family, and to be able to support the school to grow and flourish.

We are extremely proud of our track record in ensuring that local schools are well supported and are able to thrive in their communities. We are looking forward to meeting the pupils, staff and families of Buckminster and working with you all over the coming years.
