

The Mowbray Education Trust community supporting Ukrainian Refugees

This week, in all of our schools, we have all found it hard to think of anything other than the people - just like us - whose home is in Ukraine.

Actions are louder than words and pictures speak louder than words.

I don't need to say any more on this one, apart from to say how very proud I am of our community and town for the humanity and compassion that has been shown. [Christine Stansfield - CEO](#)

[John Ferneley College](#) - A HUGE THANK YOU to everyone who has donated towards the appeal to help the Ukrainian refugees. We have been overwhelmed by the amount of support and generosity from the local community.

Once again, a huge THANK YOU for your continued support. Your donations will go a long

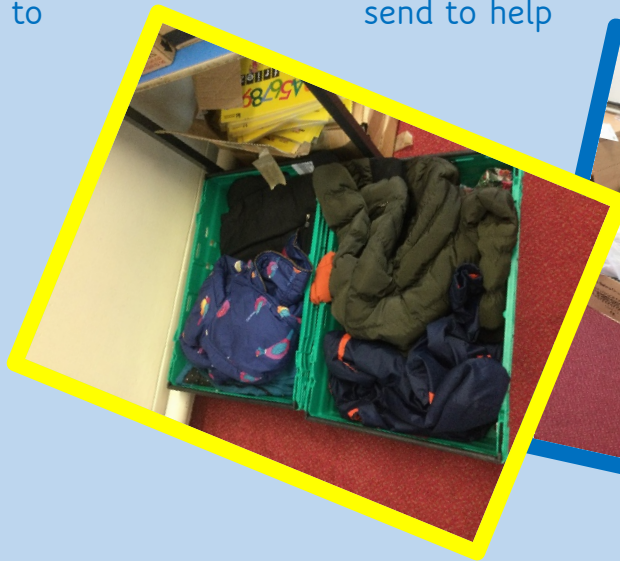

way to help those most in need

The Brownlow community sent three van loads of clothes, food and nappies etc for the Ukrainian refugees

At The Grove we have been working with our school council to consider how we can raise money to help Ukrainian families. We have had some wonderful conversations about such a sensitive subject and gathered some clothes and resources to send to help families.

The Ab Kettleby and Somerby Families have been just amazing and so generous with their donations for the Ukranian families

We have had 2 collections and our final few bags that we just couldn't squeeze in will be collected tomorrow.

Sherard - It's been so lovely seeing everyone come together for this!! We managed to fill our WHOLE minibus
